*Daycare Kid of*  
**THE MONTH**

**Mox** is our December Daycare Kid of the Month! Mox is a three-year-old white boxer who loves coming to Doggie Daycare! Outside of Daycare, Mox's favorite activity is playing outside with his little fur-brother, Wendell, and his next-door neighbor, Stella (his puppy cousin). At home, if he hears a can of whipped cream, he will come running! It is by far his favorite treat! When it comes to his favorite toys, there's two that come to mind, his squeaky Kong ball and Makenna's (his human sister) bathtub squirt toy she calls "Squinkies". His best trick is giving high-fives! Taking Mox to get ice cream is always a memorable moment. He also insists on getting in the car at any opportunity! If they leave the car door open, he's in there. Most of the time it happens when they are unloading the groceries and jumps right on top of the groceries! Mox absolutely loves coming to daycare. Every Monday morning, he waits at the garage door for his fur-dad, Eric. The Erhard family LOVES Monday nights and Tuesdays because Mox is dead to the world and he needs a day and a half to recover! He is a huge fan of the Lodge!

# Holiday Safety Tips

Here are a couple tips to keep in mind over the holidays to ensure your pet's safety!

## Plants & Decorations:

- Securely anchor the Christmas tree
- Tree water may contain fertilizers that can cause stomach upset
- Avoid mistletoe & Holly
- Be cautious of using tinsel
  - Do not leave lighted candles unattended
- Keep wires, batteries and glass/plastic ornaments out of paws' reach

## Holiday Food Dangers:

- Keep away the sweets like chocolate or anything containing xylitol
- Avoid feeding leftover fatty, spicy food, or bones
- Be careful with holiday cocktails, keep out of reach of your pets
- Stuff your pet's stocking with chew toys that are basically indestructible

## Plan a Pet-Safe Holiday

- Make sure guests are aware of your house rules when it comes to what your pets can eat
- Keep the medications away & out of reach
- If your pets tend to be anxious around guests, give them their own room
- New years can be noisy, watch for pets getting anxious and afraid
