Dogtoberfest 2017

Sunday, October 22nd

1:00pm-3:00pm

Daycare Halloween Bash!

Friday, October 27th

Daycare Kid of THE MONTH

Lola Smallwood is our October Daycare Kid of the Month! Lola is a three old Basset Hound who is infamous for her "hound howl". She's been coming to doggie daycare since she was 3 months old. Her favorite activities at home consist of playing with balls and waking up at 3:00am to sit out on the deck to watch the racoons and skunks in the backyard. Her mom refers to her as Lola Pooh all the time. Lola loves to indulge in some ice cream occasionally and she

tends to run circles around the dining room table, just for fun. Her favorite trick is giving handshakes (she does this all the time for the girls during daycare). Lola's fur-mom's best memory of her is bringing her home for the first time and knowing that she was hers to keep! Lola will be a big sister to a new basset puppy named Journey this December and she can't contain her excitement! We enjoy having Lola at daycare and we can't wait to meet her new sis!

Flea, Tick & Heartworm PREVENTION

For those of us with pets, we look forward to winter to escape the torment that bugs may bring upon us and our pets. Unfortunately, winter does not necessarily mean the end of bug season. We recommend keeping your pets on flea, heartworm and tick prevention all year round. If you have questions on what preventative would be best for your pets, contact our Clinic.

Boarding Reservation REMINDER

Are you considering going away for a weekend or finishing up your camping season? Don't forget to call in and reserve your pet's stay at the Lodge. Thanksgiving is almost here! We recommend scheduling your pet's stay at least 1 month in advance.
